To all Parents and Friends of Saint Leo's,

Due to concerns related to the Coronavirus and various directives from our Government and Diocesan Offices, it is **necessary to cancel our 21st Annual Let's D.A.N.C.E. Celebration** originally scheduled for Saturday night, April 18th in our Gymnasium.

During these uncertain times, please rest assured that even though our school *building* is closed, our *school* remains open, and all students are continuing their education through remote learning. Because of the dedication and planning of our teachers and administration, and due to many years of Let's D.A.N.C.E. donations in prior years to build our strong technology base, we are able to provide ongoing instruction during the Coronavirus Pandemic.

Although the event is cancelled, the need has never been greater to support our teachers and maintain our state-of-the-art technology resources for instruction of nearly 400 students. Therefore, we continue to ask for your support in the form of contributions. The web link below describes various levels of giving which will be used exclusively for the purchase of new technology for our students and special bonuses for our teachers, who serve us with such great dedication and devotion. It is our intention to acknowledge all donors on our website, unless you indicate preference to remain anonymous.

We hope you will support our efforts. Please use the following link to donate online:

Our Faith must guide us at times such as this. We must persevere in that Theological Virtue of Hope, given to us in Baptism and in the joy of our life in Christ. As the Psalmist writes with such elegance and power, "This is the day the Lord has made. Let us rejoice and be glad in it." (Psalm 118) Please pray for me as I and Father Logue pray for all of you. As our movements are being restricted during this outbreak, and in whatever struggles and joys that are ours, may God's grace fill all of us with His power and His peace.

Sincerely in Christ,
Father Hahn
